NEW LED DayLite NanoCamHD™

You Tube NanoCam HD video clips can be seen at:
<https://plus.google.com/+DesignsForVision/videos>

Document

Easy to use, hands-free operation. Digitally insert 1080p HiDef video and still photos into patient record. HIPAA Compliant.

Broadcast

Transmit real time first person view to entire surgical team.

Demonstrate

Provides surgeon's point of view. Three interchangeable lens systems; 2.5x, 3.5x and 4.5x, to match magnification used by surgeon. An invaluable tool for instruction.
